

THE LOBBY

We welcome you to our heart

The heart of a hotel is its lobby. At times its pulse is relaxed, almost meditative, as the guests leisure their time away, lingering over coffees, browsing books and magazines or enjoying intimate conversations. At other times its pulse is faster and more energetic, as the guests savour their food, meet up with old and new friends or throw a party.

At The Lobby we hope you will enjoy many happy moments, relaxing or partying, with friends and loved ones as well as business relations.
